

# KING'S KATCHUP

To "catch you up" on the Gospel work of Jim and Pat King

Dear Friends of this Ministry,

A big "THANK YOU" for your support of this ministry, not only in your giving but by your prayers. We come to realize that the difficulties that come up as we serve the Lord are only solved by God's answering the prayers of His people. Thank you for being a part of the spiritual battle.

Jim and Pat King

We are seeing some progress in our attempt to get into the Florida state prison to preach to the inmates there. Jim had his finger prints taken and now we are waiting for a training

video to arrive which will teach us how that ministry is to be done.

## Update on the literature work.

Consider these points on the importance of the Christian Literature Ministry:

Curt and Eulalia Kregness

## The advantages of using literature to spread the gospel are astounding.

- The written word knows no fear---it flinches in the face of no man. It preaches the same message to the rich and the poor, the king and the commoner.

- It never loses its temper, never talks back in anger.

- It takes no note of scoffs, jeers, and insults.
- It never tires, but works 24 hours a day, even while we sleep and rest.
- It is never discouraged, but will tell its story over and over again.
- It will speak to one as willingly as to a multitude, and to a multitude as readily as to one.
- It always catches a person in just the right mood to be receptive, for it only speaks as he chooses to listen.
- It can be received, read, and studied in secret.
- It gets undivided attention in the quiet hours.
- It speaks without a foreign accent.
- The written word is more permanent than the human voice.
- It never compromises, never changes its message.
- It continues to speak and make its message plain after audible words have been forgotten and lost.
- It is greatly appreciated by the nationals of any country.
- It is immune to all disease.

We are no longer able to keep up our monthly paper for preachers but there are many years of that publication on our web site. Also we continue to post sermons, Bible studies and PowerPoint gospel presentations there.

The Kregness family continues to translate our literature into Portuguese and the Tylor family puts the articles on the Internet for us; pray for their work. All for now.

Sincerely in "CHRIST",  
The Kings

Jeremy Taylor and family
