April 2022

Dear Friends in Christ,

Greetings in Jesus' name. Neither is there salvation in any other. For there is no other name under heaven, given among men whereby we must be saved. So said the Apostle Peter and so it is. That's just as true today as it was when Peter first uttered those words.

Bro. Fred Wall, a missionary to Haiti since about 1979, and a friend ever since, invited me to come down to Haiti for two weeks. They are just finishing Bible school for a group of young preacher and he wanted me to come down and also to preach in the pastor's conference they are having.

As many of you know, I translated the New Testament, Psalms, Proverbs and Genesis into the Creole language. I hand bound the Testaments for the men graduating from the Bible school. That makes over two hundred Creole Testaments I have hand bound for missionaries and Haitian pastors. With the help of a son-in-law, Greg Vowell, I am getting the diplomas designed and printed for the Bible school graduates. It will be a challenge preaching in Creole as I have little contact with Haitian now. I plan to leave the twenty-eighth of April and come back the twelfth of May.

The latter part of May I will be going to Louisiana for S.M.I.T.E. with Bro. Jerry Purtell. What a blessed time we have in the meetings there and reaching boys and girls with the Gospel in the five-day clubs. Many of the teen agers who come to the camp surrender to full-time service during that week. Praise the Lord!

We have been doing well health wise except I had to have hernia surgery two weeks ago and trying to take it easy. Lord bless you for your prayers and support.

In Jesus' name,

Bro. Hicks
