"Yea, forty years didst thou sustain them in the wilderness, so that they lacked nothing; their clothes waxed not old, and their feet swelled not." Nehemiah 9:21

Dear Pastor, church, family and praying friends,

Forgiveness sought, the sound of a flood, family safe, and stepping forward...

I ask your forgiveness for not having sent a prayer letter in some time... I'll not forget the sound of the storm & seeing the waters pouring into the house! Although being flooded and having to move out of our home cannot be compared to the 40 years Israel was displaced, we nevertheless thank God that He has sustained us and we lacked nothing over the last few months! **On** many days, and even for weeks-on-end, it has been possible to deal only with what was urgent that day, but blessed be the Lord, we press on for His glory. **Thank you for every help sent, every hand of labour, and every prayer prayed for us!**

Souls Saved & Lives Changed at the 13th South Alabama Prison Campaign...

After much prayer, God opened the doors to 5 institutions with visitation at all 5! This was a great victory, with no institutions open shortly before the campaign, and visitation not confirmed until the first morning of the campaign! The Lord allowed us to see **118 professions of faith** during the Campaign! **GLORY TO GOD!**

Testimony...

Many could be given, but this stood out to me. One man came to the altar and wept his way to Jesus. When asked, "Has someone come to tell you about Jesus before?", he answered, "No, sir. I have not heard about Jesus, not once in these last two years in prison." **OH**, how important it is to realize the fields are white for harvest! People are looking for answers, looking for hope, and we have the Answer - His name is **JESUS!**

The Foreign Field: Eastern Europe...

Thank you for praying for our Ukrainian missionaries, Brother Alex, Sister Natasha & family. At the time of writing, it has been possible to contact Bro. Alex daily, as we all follow news of developments. Brother Mircea & Sister Ronela Cristian (ROA Romanian Ministry Director & family) have been an invaluable help to Bro Alex & his family (& countless others). Brother Kovacs (missionary in Hungary) is also witnessing to many refugees, while reaching prisoners for Christ online, preaching & teaching. Please pray for all these families, and pray the prisons in Hungary will open again - they are currently closed again due to covid restrictions.

The Foreign Field: Help needed! (1) Prayer (2) Support for an Exciting Opportunity...

(1) Please pray for the Andrews family's paperwork needed to return to Papua New Guinea. There are local pastors waiting to hear about reaching prisoners for Christ!

(2) Would you prayerfully consider supporting a new missionary just accepted with Rock of Ages, starting to reach prisoners in the Middle-East? God has opened a unique door to this man of God, already reaching prisoners, and the potential to reach many more prisons. Should the Lord so lead, please contact either myself by phone or email, or Rock of Ages President Dr. Terry Ellis at the ROA Main Office for more details.

The grace of God and peace of Christ be with you. Amen!

Brother Mark Waddington & family
