

PRAYER LETTER AND MINISTRY UPDATE

January-March 2022

Dear Brethren at OPEN DOOR:

The time seems to pass so quickly. This year has brought many changes for all of us with prices rising on almost everything and COVID, seemingly beginning to disappear. But the Lord is still faithful .

We are glad to be able to report that churches are now allowed to hold services in the Philippines and the Christians are excited to return to a regular worship services and Sunday School. It will be a big adjustment after two years of no in-person services. Do pray for them and for those who have become apathetic and see no desire to return to the worship and fellowship of the church as a body.

With countries beginning to open up, we have about ten missionaries requesting Sunday School and educational materials. We are in the process of packing the boxes and getting them ready to ship. Some of the countries from which we have had requests are: Myanmar, Brazil, Ireland, Uruguay, Zambia, Nigeria, Mexico, and Philippines (Cebu & Manila). The box to Myanmar was shipped last week and one to Brazil was shipped this week. Pray that all of these shipments will arrive without damage.

David is continuing his daily online Bible study with believers in the Philippines. Through the bookstore, we are making Christian literature and Gospel tracts available to the communities around us, as well as being used of the Lord in Unity Baptist Church where we attend.

After our bout with COVID in November, the Lord has kept us in good health and rejoicing in His faithfulness and goodness to us. Continue to pray for us, physically, as from time to time the ailments of aging appear.

Thank you so much for your continued support of us, both financially and in prayer. You are a blessing and encouragement to us. Thank you for your support of \$ 60- in December, for the \$ 60- in January, for the \$ 60- in February, and for the \$ 60- in March.

FOR CHRIST ALONE,

The Diamantes
