MINISTRY UPDATE

MAY 2022

Dear friends and ministry partners,

What a blessing the past few months on furlough have been! God has truly blessed us with such wonderful supporters!

We arrived in the States in January to begin furlough, and, after reporting to our mission board, we looked forward to travelling the country and sharing about all that God has been doing in Ireland. One of the first joys we got to share in was Covid-19 (we certainly appreciate everyone's enthusiasm to share every part of their lives with us)!

Although our illness changed some of our scheduling, we were still able to get back on the road and visit so many churches, as well as present our ministry to several new congregations! In the past four months, we have visited churches in Delaware, Florida, Georgia, Indiana, Kentucky, Louisiana, Maryland, Michigan, Oregon, Texas, and Virginia. In every place we have been so encouraged by the prayers and hearts of God's people.

God has provided for our every need, including a vehicle in which to travel and the funds for food and lodging. He is always in control of our schedule and our direction, and He has shown His wisdom and grace to us throughout our travels.

At times we are exhausted, but never discouraged, for we are so thankful to share our hearts with you all. We are also looking forward to teen camp coming up in July, the first in three years! Please continue to pray for our travel and for our return to Ireland. As always, thank you so much for your faithfulness in praying for us and supporting our family.
