To "catch you up" on the Gospel work of Jim and Pat King

Dear Friends of this Ministry,

A big THANK YOU to all of you who pray and give to keep our ministry going. As we

have said so many times: "We could not be here, doing what we do here, if it were not for you being there, doing what you do there."

As you can see, the big deal in our lives since our last prayer letter is that Pat has now

If you feel the Lord would have you give a special gift for literature work in Brazil please send your check to the mission designated for that purpose.

Pat continues to have a good number in her Bible studies at the Polk County jail. Sometimes some of the inmates are out in the exercise place, but recently they are coming in to hear the word of God. Recently, when out to lunch, a server said to her: "Do I know you?" and then they remembered that the girl was one of the inmates. God has transformed her life!

We are in (almost) Many of you have prayed for Jim to be able to get into the Florida State Prison. That is coming along, but slow. He finally got to speak with the main chaplain on the telephone. Jim has fulfilled all of the requirements to volunteer there; but the chaplain says there is no opening right now. Thank you for praying for open doors!

Pray that we can get to preach in our state prison, if it is the lord's will

Throughout the years, we have seen how the Lord is real and answers our prayers. In the physical area, we would appreciate prayer for Jim's back and legs. These problems make it hard to get up and down the long hallways in the jail. They did find a back problem that might call for an operation but we are waiting for the insurance company to approve it. Pray.

Thank you again for being such a vital part of our ministry!

Sincerely in "CHRIST",

The Kings
