“and my people shall be satisfied with my goodness, saith the LORD.” (Jeremiah 31:14b)

We have seen the goodness of God in Mbira Baptist Church. We have seen more volunteers getting involved in church ministry. From cleaning and setting up to singing in the choir and singing specials.

We also had the privilege of dedicating another Harriet is one of our beloved Nursery Teachers. She during the Covid Lockdown and now has been blessed

newborn baby to the Lord. was able to get married with this beautiful baby girl.

Update on our church construction project. The funds coming from within our project have been delayed a bit. We have moved forward and needed to get started. We have begun construction and now we are to come back down. I believe in the should see substantial progress in you would like to be a part of please let us know.

brought in much of the materials finally received our permit to waiting for the price of cement next couple of weeks we this new church building. If building the house of the Lord,

Mbira Bible College is back into full swing. We meet every Wednesday from 11:00 am – 1:00pm. We have an average of 14 students, These are students of all ages. We will complete the book of I Corinthians this year. On Thursday evenings from 5:00pm – 8:00pm the Leadership Bible College meets. We completed Bible Doctrines 1 in the first term. We are currently working our way through I Corinthians for the 2nd term. We have 12 students enrolled in this class.

Uganda History Seminar

Our Secondary school is in the middle of the 2nd term of 2022. Pray with us for God to provide. Inflation has hit Uganda as well. Food prices are up 20% over the last 2 months. This means an increase of about \$500 per month to feed the students. We are praising God for His provision thus far!

Parents / Guardians Meeting

Our Primary School is in full swing! God has blessed the school with many bright and fun students. Please pray with us as we spend many extra hours of prep time for our P-7 Candidates. They will take their Primary Leaving Exam in October. We are tasked with teaching them two years worth of material in one year. Pray they will endure this time of schoolwork overload. We still have a need to raise about \$700 per month to fully fund the Orphan Program. This is in addition to inflation of \$500 per month for food.

2012

We reached our 10 year milestone at the end of May. Its amazing to look back on 10 years of God's Blessings. It allows us to expect great things from God over the next 10 years and beyond. Its hard to believe that we only have 3 kids left in our home full time. Two married with kids and two in college.

2022

Thank you all so much for your prayers and financial support! We pray that God will bless each of you in the same way He has blessed us. Thank you for partnering with us in a ministry that brings such joy to our lives.
