France The White Family

Jim, Adie, Cybie, Mac & Millie

One Sunday morning, at the end of March, as we were getting ready to leave for church, I received a phone call from Eunice, one of our ladies. I thought she might be calling to let me know she wouldn't be needing a ride, but instead, she was telling me that she had invited a friend and her three teenagers to church and wanted to know if there would be enough space. Sadly, we already had four people coming and there wasn't the extra room in our car. After dropping Adie and the kids off at church, I ran to pick up the four and that's when Eunice brought over her guest, Stephanie, and asked if there was any way that we might be able to squeeze her in. We ended up squeezing six into our very small five-seater. I'm thankful for people in our church who are constantly looking for opportunities to bring others to church. Since that Sunday, Stephanie and her kids have been attending church faithfully and her son and two daughters have also been attending teen meetings! Please pray for them as they are new in France and trying to learn the language and adjust. But most importantly, pray that they will be open to the gospel.

May 1st was a special day at church as we had two baptisms after the service. One was Treasure, who accepted Christ back

at the end of last year, and the other was our oldest, Cybie, who accepted Christ about two years ago. It was such a special day as we watched these girls take this important step of obedience in their lives!

One major answer to prayer this month has been Adie's visa renewal. After submitting the necessary papers, we heard back from the government that she has been approved. So now we're waiting for the call to come pick up the final visa.

Please pray for an older lady in our church, Ghislaine. She is a long-time member who has recently undergone major hip surgery. She developed some complications right after that have really slowed her recovery. Please pray for

full healing so that she can come back to church. Please also pray for her family to be open to the gospel. She is the only believer in her family, and it weighs heavily on her.

As always, thank you for your gifts and prayer support. We are thankful for the opportunities God is giving us here in France and look forward to a wonderful summer serving Him!
