These three months have been a challenge to us. I will explain as we go along!

Sunday, March 6, we were able to baptize this couple, Dão and Alessandra. They are one of our most faithful couples in church. I have had medical problems since the end of last year. We heard of a doctor in Brasilia (the capital of Brazil) that could work to improve my health. March 10 we flew there and arrived late. When I arrived there he said that he had never seen such a critical situation in all his practice. He began strengthening my heart and improving my circulation using vitamins and minerals. There was a time during this that he thought he was going to lose me. Many of you prayed around the clock for my condition and the Lord heard your prayers! Thank you! We were there for nine weeks and arrived back in Carmo on May 14.

The first of April we were able to start our Bible Institute. Teaching and training people is one of the commandments in God's Word! **2 Timothy 2:2** "And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also." We started with seven students. Then April 28th thru May 1st we had our 4th Anniversary Conference with Missionary Tim Ingram. Our people signed them up for meals during their stay which was a big step in their learning to take care of those serving the Lord.

Last of all, the picture at the right is May 29th. I was able to say my Bible Verses of the month and preach! After being in Brasilia my oxygen levels are good, my circulation has improved, I can think, reason and make decisions! I'm not out of the woods, but headed in the right direction! Praise the Lord!

We are eternally grateful for your faithful support both financially and prayerfully. May God bless you richly. This is fruit to your account! **Philippians 4:17**
