KING'S KATCHUP

To "catch you up" on the Gospel work of Jim and Pat King

Dear Ones in the Lord,

We continue to be grateful for your prayer and financial support as we are allowed to keep on with our Bible studies with the men and women in the Polk County jails.

From time to time the inmates show their appreciation for our ministry by some document that blesses our hearts. The scan in the middle of this page is an example of that. The women in the faith based dorm made up a

folder and some of them wrote a short message to Pat. Pat missed a couple of visits due to sickness but is now coming back to the Faith based Dorm.

One woman inmate wrote: "Your love has given me much joy and comfort,

me much joy and comfort, my sister. For your kindness has often refreshed the hearts of God's people." Another wrote: "Your sweet and loving ways have made a difference in so many lives! Thank you!"

We do not serve the Lord for the praise of the inmates or anyone else, but it is a blessing to know that the message is getting through to at least some of these men and women in jail. Sometimes we meet both men and women that we ministered to when they were incarcerated.

In our last letter we asked prayer for Jim's back and legs. we believe God has helped us through some rough times because of our prayer partners. He will be going to a pain specialist soon. Please add this item to your prayer list also: Jim's kidneys are beginning to get weak so pray that for healing if it can be the Lord's will.

We have been having a good number in the men's work lately. Jim has not yet been

called to the work in the state prison; we are waiting for permission to start that work. Interest in the gospel goes up and down as we minister to people that we have Bible studies with.

Gairy Castor is the name of an inmate we met in jail. He is out and desires to start a home to help exinmates readjust to life on the

outside of the jail and give them a new start in life. He is a good man and to pray for more works to help ex-inmates would be worthy of our prayers.

Our translator and her husband are moving to the States soon so we will be closer to each other as we work on the literature part of the ministry. All for now.

Sincerely in "CHRIST",

The Kings
