Sunday, June 12, was Pastor's Day here in Brazil. It is one day set aside to honor those who have dedicated their lives to serve the Lord in full time service. The children's Sunday school class put on a presentation. What a joy to see them singing and quoting scripture. Pray for them that Satan and the world won't get them sidetracked. Our people gave Pastor Charles and I a pair of walking shoes.

God is finally beginning to do a work among our young people. At the right is an event with 10 young people and Pastor Charles on July 9th. Several other's were not able to make it due to work. These young people have caught a vision of winning their friends to the Lord.

The picture below the teen girls, was July the 9th. Naomi was able to visit her friend, Zirlene, to her right. For years in Formiga, Naomi evangelized her. She has now been saved and goes faithfully to church with Heather. On the left in the picture, is her daughter who has also been saved. The daughter's husband heard the gospel as a child in our Saturday Awanas program. He was saved as a young adult, and they have an 11 year old daughter who has been saved! They go to church regularly. What a joy to see the fruit that just keeps coming and coming.

July 22nd we were able to sell our farm. God was so good to allow us to sell it before the rainy season began. We are now looking for a place to relocate in Carmo do Rio Claro. Please pray with us that God will show us where He wants us to be. My health continues to improve. Still having trouble with my oxygen levels.

In closing, we thank all of you again for your continued prayers and support.
Jude 1:24-25 "Now unto him that is able to keep you from falling...be glory and majesty, dominion and power, both now and ever. Amen"
