Prayer request, missionary Ricky Salmon has been in Thailand approximately 28 years. A month ago Ricky was diagnosed with cancer, Multiple myeloma. The cancer affected his kidneys to where they were only working four percent. Ricky told me today that his kidney function is back to 14 percent. The doctors are saying the next month is critical as to what they can expect.

PLEASE PRAY for missionaries, Ricky and Tammy Salmon,!

Glory moments for us! Maureen and I have hit our 50th anniversary. We were married 15 July 1972. God has given us 50 years together and we are thankful. At the same time we are looking over our shoulder thinking, where has the time gone.

THANK YOU JESUS.

We arrived back in Thailand Aug 5, and now have been here 42 years. It has gone by quickly, but it has been an incredible experience seeing the true and living God of the Bible play out in our lives. The same God that breathed life into Adam is, and has, been bringing souls to Himself, and binding believers together into churches. What could be better than this??

THANK YOU JESUS.

For the past two months my daughters Marci Hildebrand, and Abigail Malcolm who were both born in Thailand have been applying for Thai citizenship. It's long, expensive and tedious process but will be an incredible opportunity to be able to work more effectively. Maureen and I are extremely proud of their vision to be a witness for Jesus Christ.

THANK YOU JESUS.

A Professor in Bible School said, that a rut was no more than a grave with the ends kicked out. What he was saying was if you are in a rut you are basically dead. It looks to me like the Lord is using Covet 19 to shake up the ruts that we have inadvertently slipped into. The Thai, who are sweet people and love Christ were forced to step up! It has taken fear and pain to make them alive in Jesus Christ. 2Cor 1.3-4 ... The God of all comfort Who comforteth us in all our tribulation, that we may be able to comfort them which are in any trouble Where once there were blank stares there is compassion, and purpose.

THANK YOU JESUS.

May the Lord bless you there, and thank you for continuing to help us work here in Thailand
