"I will instruct thee and teach thee in the way which thou shalt go: I will guide thee with mine eye."

Psalm 32:8

Dear Pastor, church, family and praying friends,

What an amazing verse! The world instructs and guides the only way it can... with experience and hindsight. Yet the Lord our God has no need of experience to instruct His children! No need of past experience to guide us! The omnipresent eye of God is our guide! **"Lord, help me follow the eye that sees it all!"**

Ukraine...

Thank you sincerely for praying for Brother Alex Fishchenko and his family (wife, Natasha, and children, Timothy and Ostap). The family remain in Romania, where **Sister Natasha teaches weekly Bible studies among Ukrainian refugees and serves as a translator.** Bro. Alex is currently back in his home in Kiev. Mercifully, their home and surrounding area was not bombed. Air-raid sirens sound 2 or 3 times-a-day, missiles are heard flying overhead, but the people of Kiev are trying to return to some form of normal life. Thankfully, communication is still possible and I've been able to speak with Bro. Alex regularly. While he continues to minister to those around him affected by the war and preach in local churches, the prisons remain closed. **We pray & are looking at opportunities the Lord may be opening during war-time.**

Guatemala...

The Lord led us to a local Christian lawyer that I am working with weekly on buying & consolidating land for a planned church building, with our church planting assistance missionaries, the Josh Hill family. Please help me pray. There is much to do and much wisdom needed. **Lord willing, I will visit Guatemala in August.**

Rock of Ages National Conference... July 31st - August 4th, Gannt St. Baptist Church, Cayce, SC

We are privileged this year to have 2 of our national foreign field missionaries, and the Pastor of our Middle-Eastern missionary for conference! Please pray for Pastor (Middle-East), for Bro. John Alves & family (Brazil), and for Bro. Zsolt Kovacs & family, that the **Lord would grant a special touch for them! AMEN!**

Surgery for International Team Missionary...

Please **pray for Brother Walter Terrell**, our International missionary serving in Prison Prevention. He has **kidney surgery on Thursday, July 21st.** Please pray for the surgery and for a speedy & full recovery.

Coming Up in August... ROA National Conference, Guatemala Visit / Preaching Revival in Texas

August is full; Preparations for, and Missionary Candidate Classes await in September; And, there are two more needful foreign visits on my heart before end of year, Lord willing, to Europe and Asia. **Please help pray for the funds needed for Guatemala, and the two other overseas trips on my heart.**

Please know that we thank God for you! *"Thank you!"* for your faithful, love, prayers, and financial support, all of which means we are able to co-labor together as we do!

The grace of God and the peace of Jesus Christ be with you. Amen.

Brother Mark Waddington & family
