Dear Friend's in Christ,

Greetings to each one in the name of Jesus. Much has happened since our last letter. I say our because Lewis was with me but God chose to take him home to glory July 27th, I have missed him so much but I know he is with the Lord Jesus enjoying his eternal reward. The day of his home going was a very normal one. We had a wonderful day together enjoying life as usual. I thank God for the sweet and precious memories of our lives together. That evening we had watched David Jeremiah on television and after he went off Lewis said he was ready for bed. He got his walker and started for the bedroom. He made it to the bedroom door and slumped over the walker. He had had a heart attack. It was sudden and without warning and he never mentioned any pain. He would have been 94 on October 8th. Lewis was a faithful servant of the Lord as long as he lived and I am thankful that he wasn't suffering.

Many times he mentioned about how faithful each of you had been to support him for so many years. Some had supported him when he first went to Chile S.A. Later he needed to come back to the States to bring his wife and look after her until she went to be with the Lord. He then went back to Chile and went blind and had to leave the field again. In 2006 we were married. Many of you supported us. Thank you.

I appreciate your kindness and faithfulness through the years that you have shown to Lewis and me. I don't expect you to keep on giving to me. May God direct you in your decision in what he would have you do. God has been faithful and merciful to me all my 87 years and I know that He will continue to supply my needs. I humbly thank you for every prayer and gift. May God bless you.

Love in Christ,
