

KING'S KATCHUP

To "catch you up" on the Gospel work of Jim and Pat King

Dear Ones in the Lord,

As we are now in the month of Thanksgiving we can not think anything else but how thankful we are to the Lord for allowing us to serve Him full time AND for YOU as you have prayed and supported our ministry throughout the years. Some of you have been with us since 1966 when we first started our deputation work.

As the saying goes: "a lot of water has run under the bridge" since we first went to Brazil in 1969. We have been involved in several different types of ministry and have loved each one that God has allowed us to participate in.

We wondered what the Lord had in store for us when we could not minister in Brazil any longer because of age and health problems. Then Sheriff Grady Judd here in Polk County, Florida came to our church and spoke at a banquet. He mentioned the need for volunteers to work in the jails and we knew that it was in this ministry that we were to invest our lives.

And so this is the work that both Jim and Pat have been doing since we returned from South America. Pat goes to one jail where the women are incarcerated and Jim to another one where the men are held. In both cases the evangelistic Bible studies are held in a large room called the Faith Based Dorm.

According to the law, all faiths can have access to the inmates so the inmates hear a lot of different doctrines. The person in charge once called our pastor to say that liked our preaching the best!

Jim and Pat King
If you feel the Lord would have you give a special gift for literature work in Brazil please send your check to the mission designated for that purpose.

We praise the Lord for His protection. The last two hurricanes that hit Florida recently went right over us and did no major damage. We are going to have to replace our roof tiles; but that will be a blessing.

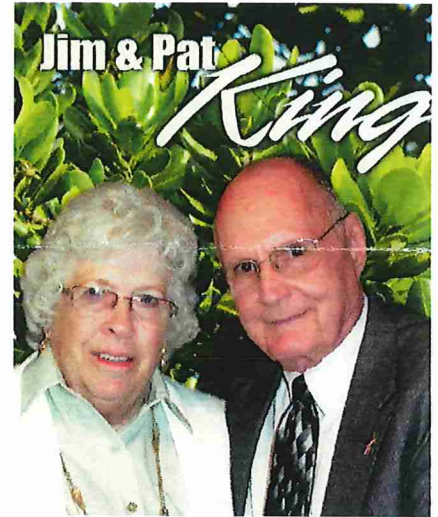

One thing that

keeps coming to our minds about the inmates

is that we like to think that we are training future 'missionaries.' The youth, especially, "look up" to the guys that have been in jail as heros. So we tell those who have been saved that they can have a ministry to those young people and guide them to take a different path in life. The inmates can say, "I've been there, done that" and you don't want to go there!

The picture to the right is us with sheriff Grady Judd, He is the greatest! A big THANK YOU for your support.
