The month of August found us in Brasilia for my return evaluation on my health. We were there the 8th through the 29th. They were amazed at the progress that had taken place. To God be the glory! On Sunday the 14th we had a baptism in Carmo with three people. One of which was our granddaughter, Naomi. We thank the Lord that our grandchildren are following our Savior.

On August the 27th the youth got together and had a party to celebrate Pastor Charles' birthday. We can only praise the Lord for the spiritual growth we have seen in our youth. The world and the devil are so active through internet as well as colleges where they study. Pray that they will remain faithful to the Lord! We still have five students in the Bible Institute.

The month of September we were able to move into a different building. The building has a fenced in area in the front that serves for parking as well as for the children to be able to run and play. We have ample room for ladies Sunday school class, children's class, and a large kitchen area. This should do us until we are able to build our own building on the two lots God gave us.

Sunday September 25th we were blessed by the presence of a national native missionary Raul and his wife Mariela Brazão. They live near the border of Colombia in the Amazon of Brazil. He is from the Baniwa tribe and his wife is from the Curipáco tribe. Both of these tribes were reached by an American lady whose name is Sophie Muller. It would be worth your time to google her to see the impact she had on these and other tribes.

We love and thank you for all your support. It is a privilege to be your missionary.

In Christ,

*Bro. Bob, Naomi and Family*
