The next phase was 44 years as missionaries in the country of Brazil.

What a blessing that was, taking the true Gospel to a

One of the county jails that Jim and Pat minister in.

Now, for about the last 11 years, we have had the privilege of taking the Word of God to the Inmates in two Polk County, Florida, jails.

We have ministered to a number of people in different cultures, different places, and in different settings. But one thing is always the same: when a person makes a decision to repent and trust Christ alone, there is a redical transformation!

Many of the Inmates we teach find it hard to believe that Jesus can save them and transform their hearts. BUT, when one of them comes to understand the truth of the Bible, the change is something beautiful to behold!

A big THANK YOU for your part in our Gospel work. It is your prayers and offerings that the Lord uses to make it possible for us to ministr the Word to these needy souls. God bless you for your faithfulness!

Sincerly in CHRIST,
Jim nad Pat
